(Start of Form)

NOTICE OF THE FILING OF FINAL ASSESSMENT ROLL, OF THE OPPORTUNITY TO FILE WRITTEN COMPLAINTS, PROTESTS, OR OBJECTIONS, AND OF THE ASSESSMENT HEARING, ALL CONCERNING THAT CERTAIN AREA TO BE ASSESSED FOR IMPROVEMENTS WITHIN THE CITY OF LAS VEGAS, NEVADA, SPECIAL IMPROVEMENT DISTRICT NO. 1485 – ALTA DRIVE (LANDSCAPE MAINTENANCE FY2016)

NOTICE IS HEREBY GIVEN, that the Final Assessment Roll No. 2015-1 for City of Las Vegas, Nevada, Special Improvement District No. 1485 – Alta Drive (Landscape Maintenance FY2016) (hereinafter the "District") in and for the City of Las Vegas in the County of Clark, State of Nevada, which has been made out by the City Council of City of Las Vegas, together with the Director of Public Works, has been filed on March 4, 2015, in the office of the City Clerk and since such date, the final assessment roll has been, and now is available for examination by any interested person during regular office hours, Monday through Thursday 7:00 a.m. until 5:30 p.m. The boundaries of the District are described in the Special Improvement District No. 1485 Creation Ordinance heretofore adopted (hereinafter the "Creation Ordinance") to defray the annual maintenance costs of a street beautification project (hereinafter the "Maintenance Project"). The boundaries of the District, which include the location of the Maintenance Project and the lots, tracts and parcels of land to be assessed, shall be the exterior boundary of each parcel of property abutting the street as described below. The streets along which the improvements are to be maintained include:

Alta Drive (BOTH SIDES) from western right-of-way of Rancho Drive to approximately 275 feet west of Lacy Lane.

The amounts to be assessed for the Maintenance of the Improvements in the District will be levied upon all tracts in the District, i.e., upon all abutting tracts in proportion to the special benefits derived (as shown by the estimated benefits and corresponding market value increases), provided, however, that an equitable adjustment will be made for assessments to be levied against wedge or "V" or other irregularly shaped lots or lands, if any, and for any lot, tract or parcel not specially benefited by the Improvements so that assessments according to benefits are equal and uniform.

The amount to be assessed will be levied on an area basis, i.e., the amount of the assessment against each parcel will be in proportion to the area of that parcel as compared to the area of all parcels to be assessed. Each property owner will be assessed for the annual cost of the Maintenance Project.

The landscape maintenance shall include maintenance of all landscape improvements including trees, shrubs, and other plantings, irrigation system and controls, fertilization, electrical and water services. The maintenance shall also include the supply of all required water and electrical power.

Such basis of assessments has been designated by the City Council in the Creation Ordinance heretofore adopted. The portion of the costs to be assessed against, and the maximum amount of benefits estimated to be conferred upon each lot, tract or parcel of land or property in the District is stated in the final assessment roll. The City Council has determined that each of these tracts will receive special benefits (and corresponding market value increases) from the maintenance of improvements in the Maintenance Project.

The City Council will meet to hear and consider all complaints, protests, and objections to said final assessment roll, to the amount of the assessments, and to the regularity of the proceedings in making such assessments, by the owners of the property specially benefited by, and proposed to be assessed for, the Maintenance Project. Any person interested and any parties aggrieved by such assessments may be heard on Wednesday, April 1, 2015, at 9:00 a.m. at the City of Las Vegas Council Chambers, 495 South Main Street, in Las Vegas, Nevada. Any complaint, protest, or objection to the regularity, validity, and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, and of the amount thereof levied on each lot, tract or parcel of land, shall be deemed waived unless filed in writing with the City Clerk, on or before Thursday, March 26, 2015, i.e., at least three working days prior to the date set for the assessment hearing.

At the time and place so designated for the hearing, the City Council shall hear and determine all complaints, protests, and objections to the regularity of the proceedings in making such assessments, the correctness of such assessments, the amount levied on any particular lot, tract or parcel of land to be assessed, the amount of the benefits and corresponding market value increases, which have been so made in writing or verbally. The City Council shall further have the power to adjourn such hearing from time to time, and by resolution shall have power, in its discretion, to revise, correct, confirm, or set aside any assessment and to order that such assessment may be made de novo. The owners of the property to be assessed are advised that this is the final chance to present any evidence as to the amount of the assessments (or other matters to be considered at the hearing) to the City Council. If a person objects to the final assessment roll or to the proposed assessments:

- (1) He is entitled to be represented by counsel at the hearing;
- (2) Any evidence he desires to present on these issues must be presented at the hearing;
and,
- (3) Evidence on these issues that is not presented at the hearing may not thereafter be presented in an action brought pursuant to NRS 271.395.

Assessments shall be due and payable at the office of the City Treasurer in four (4) substantially equal quarterly installments of principal without interest.

Pursuant to NRS 271.357, the City has established a procedure to allow any person whose principal residence will be included in the District to apply for a hardship determination. A person whose application for a hardship determination has been approved by the City Council is entitled to have the amount of the assessment postponed. A person desiring to apply for a hardship determination shall file an application no later than March 26, 2015, with the Clark County Department of Social Service (CCSS), 1600 Pinto Lane, Las Vegas, Nevada 89106. Please contact CCSS at (702) 455-4270 for a pre-qualification screening.

Pursuant to NRS 271.395, within 15 days immediately succeeding the effective date of the assessment ordinance to be adopted following the hearing, any person who has filed a complaint, protest, or objection in writing shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity, and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, and of the amount of the assessment levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation, shall be perpetually barred.

Dated this March 4, 2015.

HEARING, ALL CONCERNING
THAT CERTAIN AREA TO BE
ASSESSED FOR IMPROVEMENTS
WITHIN THE CITY OF LAS
VEGAS, NEVADA, SPECIAL
IMPROVEMENT DISTRICT NO.
1485 - ALTA DRIVE (LANDSCAPE
MAINTENANCE FY2016)**

NOTICE IS HEREBY GIVEN, that the Final Assessment Roll No. 2015-1 for City of Las Vegas, Nevada, Special Improvement District No. 1485 - Alta Drive (Landscape Maintenance FY2016) (hereinafter the "District") in and for the City of Las Vegas in the County of Clark, State of Nevada, which has been made out by the City Council of City of Las Vegas, together with the Director of Public Works, has been filed on March 4, 2015, in the office of the City Clerk and since such date, the final assessment roll has been, and now is available for examination by any interested person during regular office hours, Monday through Thursday 7:00 a.m. until 5:30 p.m. The boundaries of the District are described in the Special Improvement District No. 1485 Creation Ordinance heretofore adopted (hereinafter the "Creation Ordinance") to defray the annual maintenance costs of a street beautification project (hereinafter the "Maintenance Project"). The boundaries of the District, which include the location of the Maintenance Project and the lots, tracts and parcels of land to be assessed, shall be the exterior boundary of each parcel of property abutting the street as described below. The streets along which the improvements are to be maintained include:

Alta Drive (BOTH SIDES) from western right-of-way of Rancho Drive to approximately 275 feet west of Lacy Lane.

The amounts to be assessed for the Maintenance of the Improvements in the District will be levied upon all tracts in the District, i.e., upon all abutting tracts in proportion to the special benefits derived (as shown by the estimated benefits and corresponding market value increases), provided, however, that an equitable adjustment will be made for assessments to be levied against wedge or "v" or other irregularly shaped lots or lands, if any, and for any lot, tract or parcel not specially benefited by the Improvements so that assessments according to benefits are equal and uniform.

The amount to be assessed will be levied on an area basis, i.e., the amount of the assessment against each parcel will be in proportion to the area of that parcel as compared to the area of all parcels to be assessed. Each property owner will be assessed for the annual cost of the Maintenance Project. The landscape maintenance shall include maintenance of all landscape improvements including trees, shrubs, and other plantings, irrigation system and controls, fertilization, electrical and water services. The maintenance shall also include the supply of all required water and electrical power.

Such basis of assessments has been designated by the City Council in the Creation Ordinance heretofore adopted. The portion of the costs to be assessed against, and the maximum amount of benefits estimated to be conferred upon each lot, tract or parcel of land or property in the District is stated in the final assessment roll. The City Council has determined that each of these tracts will receive special benefits (and corresponding market value increases) from the maintenance of

improvements in the Maintenance Project. The City Council will meet to hear and consider all complaints, protests, and objections to said final assessment roll, to the amount of the assessments, and to the regularity of the proceedings in making such assessments, by the owners of the property specially benefited by, and proposed to be assessed for, the Maintenance Project. Any person interested and any parties aggrieved by such assessments may be heard on Wednesday, April 1, 2015, at 9:00 a.m. at the City of Las Vegas Council Chambers, 495 South Main Street, in Las Vegas, Nevada. Any complaint, protest, or objection to the regularity, validity, and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, and of the amount thereof levied on each lot, tract or parcel of land, shall be deemed waived unless filed in writing with the City Clerk, on or before Thursday, March 26, 2015, i.e., at least three working days prior to the date set for the assessment hearing.

At the time and place so designated for the hearing, the City Council shall hear and determine all complaints, protests, and objections to the regularity of the proceedings in making such assessments, the correctness of such assessments, the amount levied on any particular lot, tract or parcel of land to be

assessed, the amount of the benefits and corresponding market value increases, which have been so made in writing or verbally. The City Council shall further have the power to adjourn such hearing from time to time, and by resolution shall have power, in its discretion, to revise, correct, confirm, or set aside any assessment and to order that such assessment may be made de novo. The owners of the property to be assessed are advised that this is the final chance to present any evidence as to the amount of the assessments (or other matters to be considered at the hearing) to the City Council. If a person objects to the final assessment roll or to the proposed assessments:

(1) He is entitled to be represented by counsel at the hearing;

(2) Any evidence he desires to present on these issues must be presented at the hearing; and

(3) Evidence on these issues that is not presented at the hearing may not thereafter be presented in an action brought pursuant to NRS 271.395.

Assessments shall be due and payable at the office of the City Treasurer in four (4) substantially equal quarterly installments of principal without interest.

Pursuant to NRS 271.357, the City has established a procedure to allow any person whose principal residence will be included in the District to apply for a hardship determination. A person whose application for a hardship determination has been approved by the City Council is entitled to have the amount of the assessment postponed. A person desiring to apply for a hardship determination shall file an application no later than March 26, 2015, with the Clark County Department of Social Service (CCSS), 1600 Pinto Lane, Las Vegas, Nevada 89106. Please contact CCSS at (702) 455-4270 for a pre-qualification screening.

Pursuant to NRS 271.395, within 15 days immediately succeeding the effective date of the assessment ordinance to be adopted following the hearing, any person who has filed a complaint, protest, or objection in writing shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such

determination. Thereafter, all actions or suits attacking the regularity, validity, and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, and of the amount of the assessment levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation, shall be perpetually barred. Dated this March 4, 2015.

Minutes:

MAYOR GOODMAN declared the Public Hearing open.

ALLEN PAVELKA, City Engineer, appeared with DAN MUIRHEAD, SID (Special Improvement District) Manager, and stated this item is regarding the annual assessment for SID No. 1485 which consists of 37 parcels for a total of 27.94 acres in assessment. This SID covers the cost of landscape maintenance services and utilities for the period of July 2015 through June 2016. The total assessment will remain the same as last year at \$75,800 and is paid 100 percent by the property owners. No protests were filed in the City Clerk's office.

In response to MAYOR GOODMAN'S inquiry, MR. PAVELKA explained that this is for routine maintenance and replacement of plants.

COUNCILWOMAN TARKANIAN did not receive any complaints and commented that the area is beautiful. She hoped this work could continue without raising fees.

CITY COUNCIL MEETING OF: APRIL 1, 2015

MAYOR GOODMAN asked if a buyer is notified that they are responsible for the SID when purchasing property in the area. MR. MUIRHEAD explained that billing for this is based on acreage and billed on a quarterly basis; when a property changes hands, the buyer is notified as part of the escrow.

MAYOR GOODMAN declared the Public Hearing closed.

(Attach Notice of Hearing as Mailed)

NOTICE OF THE FILING OF FINAL ASSESSMENT ROLL, OF THE OPPORTUNITY TO FILE WRITTEN COMPLAINTS, PROTESTS, OR OBJECTIONS, AND OF THE ASSESSMENT HEARING, ALL CONCERNING THAT CERTAIN AREA TO BE ASSESSED FOR IMPROVEMENTS WITHIN THE CITY OF LAS VEGAS, NEVADA, SPECIAL IMPROVEMENT DISTRICT NO. 1485 - ALTA DRIVE (LANDSCAPE MAINTENANCE FY2016)

NOTICE IS HEREBY GIVEN, that the Final Assessment Roll No. 2015-1 for City of Las Vegas, Nevada, Special Improvement District No. 1485 - Alta Drive (Landscape Maintenance FY2016) (hereinafter the "District") in and for the City of Las Vegas in the County of Clark, State of Nevada, which has been made out by the City Council of City of Las Vegas, together with the Director of Public Works, has been filed on March 4, 2015, in the office of the City Clerk and since such date, the final assessment roll has been, and now is available for examination by any interested person during regular office hours, Monday through Thursday 7:00 a.m. until 5:30 p.m. The boundaries of the District are described in the Special Improvement District No. 1485 Creation Ordinance heretofore adopted (hereinafter the "Creation Ordinance") to defray the annual maintenance costs of a street beautification project (hereinafter the "Maintenance Project"). The boundaries of the District, which include the location of the Maintenance Project and the lots, tracts and parcels of land to be assessed, shall be the exterior boundary of each parcel of property abutting the street as described below. The streets along which the improvements are to be maintained include:

Alta Drive (BOTH SIDES) from western right-of-way of Rancho Drive to approximately 275 feet west of Lacy Lane.

The amounts to be assessed for the Maintenance of the Improvements in the District will be levied upon all tracts in the District, i.e., upon all abutting tracts in proportion to the special benefits derived (as shown by the estimated benefits and corresponding market value increases), provided, however, that an equitable adjustment will be made for assessments to be levied against wedge or "V" or other irregularly shaped lots or lands, if any, and for any lot, tract or parcel not specially benefited by the Improvements so that assessments according to benefits are equal and uniform.

The amount to be assessed will be levied on an area basis, i.e., the amount of the assessment against each parcel will be in proportion to the area of that parcel as compared to the area of all parcels to be assessed. Each property owner will be assessed for the annual cost of the Maintenance Project. The landscape maintenance shall include maintenance of all landscape improvements including trees, shrubs, and other plantings, irrigation system and controls, fertilization, electrical and water services. The maintenance shall also include the supply of all required water and electrical power.

Such basis of assessments has been designated by the City Council in the Creation Ordinance heretofore adopted. The portion of the costs to be assessed against, and the maximum amount of benefits estimated to be conferred upon each lot, tract or parcel of land or property in the District is stated in the final assessment roll. The City Council has determined that each of these tracts will receive special benefits (and corresponding market value increases) from the maintenance of improvements in the Maintenance Project.

The City Council will meet to hear and consider all complaints, protests, and objections to said final assessment roll, to the amount of the assessments, and to the regularity of the proceedings in making such assessments, by the owners of the property specially benefited by, and proposed to be assessed for, the Maintenance Project. Any person interested and any parties aggrieved by such assessments may be heard on Wednesday, April 1, 2015, at 9:00 a.m. at the City of Las Vegas Council Chambers, 495 South Main Street, in Las Vegas, Nevada. Any complaint, protest, or objection to the regularity, validity, and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, and of the amount thereof levied on each lot, tract or parcel of land, shall be deemed waived unless filed in writing with the City Clerk, on or before Thursday, March 26, 2015, i.e., at least three working days prior to the date set for the assessment hearing.

At the time and place so designated for the hearing, the City Council shall hear and determine all complaints, protests, and objections to the regularity of the proceedings in making such assessments, the correctness of such assessments, the amount levied on any particular lot, tract or parcel of land to be assessed, the amount of the benefits and corresponding market value increases, which have been so made in writing or verbally. The City Council shall further have the power to adjourn such hearing from

time to time, and by resolution shall have power, in its discretion, to revise, correct, confirm, or set aside any assessment and to order that such assessment may be made de novo. The owners of the property to be assessed are advised that this is the final chance to present any evidence as to the amount of the assessments (or other matters to be considered at the hearing) to the City Council. If a person objects to the final assessment roll or to the proposed assessments:

- (1) He is entitled to be represented by counsel at the hearing;
- (2) Any evidence he desires to present on these issues must be presented at the hearing; and,
- (3) Evidence on these issues that is not presented at the hearing may not thereafter be presented in an action brought pursuant to NRS 271.395.

Assessments shall be due and payable at the office of the City Treasurer in four (4) substantially equal quarterly installments of principal without interest.

Pursuant to NRS 271.357, the City has established a procedure to allow any person whose principal residence will be included in the District to apply for a hardship determination. A person whose application for a hardship determination has been approved by the City Council is entitled to have the amount of the assessment postponed. A person desiring to apply for a hardship determination shall file an application no later than March 26, 2015, with the Clark County Department of Social Service (CCSS), 1600 Pinto Lane, Las Vegas, Nevada 89106. Please contact CCSS at (702) 455-4270 for a pre-qualification screening.

Pursuant to NRS 271.395, within 15 days immediately succeeding the effective date of the assessment ordinance to be adopted following the hearing, any person who has filed a complaint, protest, or objection in writing shall have the right to commence an action or suit in any court of competent jurisdiction to correct or set aside such determination. Thereafter, all actions or suits attacking the regularity, validity, and correctness of the proceedings, of the final assessment roll, of each assessment contained therein, and of the amount of the assessment levied on each tract, including, without limiting the generality of the foregoing, the defense of confiscation, shall be perpetually barred.
